Tianjin University of Technology and Education

Chinese Language Training Program (Non-Degree) for International Student 2026

Tianjin University of Technology and Education (TUTE), founded in 1979， is one of the first normal universities focusing on cultivating teachers for vocational schools in China. TUTE sticks to the educational philosophy of “Hand and Mind, All-round Development”. It has cultivated high-quality vocational teachers and application-oriented senior professionals. TUTE built first-class education, and won one national special prize for teaching achievements and two first prizes for national teaching achievements. To deepen the reform, innovate the model, form a full-level vocational education teacher training system of bachelor's degree, master's degree and doctoral degree, and cultivate the first batch of "double-qualified" undergraduate, master's degree and doctor's degree in China. TUTE is co-constructed by Ministry of Education, Ministry of Human Resources and Social Security and Tianjin Municipal Government.

The transportation around TUTE is very convenient, with bus stations, subway stations around. It takes 30 minutes from TUTE to Tianjin Railway Station, or Tianjin West Railway Station by subway or bus, and 20 minutes to Tianjin Binhai Airport by taxi. Also, it only takes 30 minutes by intercity between Tianjin and Beijing, the capital of China.
